

ANNUAL ACTIVITIES REPORT

JULY 16, 2016

At this time there is still a shortage of volunteers for the Activities Committee.

There have been several potlucks this year, including a Thanksgiving Dinner and Christmas celebration.

In the past Coast Village has paid for the main course, turkeys and ham and the holiday dinners and burgers and hotdogs for the BBQ. There has been a very small amount of donations at the potlucks so funds are very low. (Less than \$100.00).

Going forward if we do not have more volunteers or someone to take on the Activities I may ask the Board to dissolve the Activities Committee and individuals could then plan something for the community if they choose to do so.
